Re: Breath for Life – EMR Program Approval

Please be advised that the Alberta College of Paramedics (the College) supports and approves your recent application for a new 240 hour Emergency Medical Responder (EMR) Program. The College has reviewed your EMR program proposal and it has met the requirements as set out in the Colleges EMR Program Standards.

The College looks forward in working with you in this new endeavor to provide the best level of care at this designation for all Albertans. Please feel free to contact me if you have any further questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Tim A. Ford".

Tim A. Ford, ACP
