Re: Breath for Life- EMR program

This is to confirm that Breath for Life Inc. is a Training Partner of the Red Cross and is approved to instruct and certify candidates in both Emergency Medical Responder (EMR) and Advanced First Aid (AFA). Certification requirements are based on the Canadian Red Cross Program Standards document accessed through <http://www.myRC.redcross.ca>.

Thank you,

A handwritten signature in dark ink, appearing to read "Cody Flomen", with a long horizontal flourish extending to the right.

Cody Flomen

First Aid Program Representative, Northern Alberta & NWT
